The main intention of publishing the TLS Members' Directory is to enhance accessibility of TLS members and their law firms to the public including legal sector stakeholders, business, international organizations, government, non-government organizations and community at large. The Directory contains members and law firms contact details and areas of specialization.

This directory will be available in both hard and soft copies free of charge. Hard copies will be disseminated to various institutions such as Ministries, Airports, E.A.C, Foreign Embassies, Law Societies, Regional and International Corporation, International Hotels, Law School, The Judiciary of Tanzania, Immigrations and all Tanzania regions offices. The Soft copy of the Directory will be shared through our website: www.tls.or.tz to allow members of public to access the same.

It is our appreciation and gratitude to the members (advocates) of the Society who shared their contact details and areas of specialization to openly inform the public and stakeholders of their work and addresses of their offices so as to simplify their availability. We further appreciate all members who went a further mile to use this opportunity by offering their opportunity to advertise their products/services in this Directory because by doing so, they have contributed to the Society and have assisted the public the road to access justice.

Finally, we wish you all our members and partners a successful business year 2020. We are looking forward to work with you again in the year 2020/2021 edition.
